Robert VanBrocklin

"50 Years of Service"

Town of Richmond

Bob has served the people and Town of Richmond in many ways. He has been a firefighter, Chief of the Fire Department, Deputy Fire Warden, Fire Warden, Police Officer, Chief of Police, Sexton of Cemeteries, and Supervisor of the Check List.

Bob has been a member of the Fire Department since it was incorporated, serving as a fire fighter and in 1970 he assumed the position of chief. Bob became a Deputy Fire Warden in 1951 - Fire Warden in 1970, a position he still holds. During the years he was Chief of the Fire Department he also found the time to serve as a police officer. He was Chief of the Police Department from 1970 to 1981. He is still serving as a Special Police Officer.

At the regular monthly Fire Department meeting held February 6, 1991, Bob was made a lifetime member of the Richmond Fire Department and presented with a plaque by Chief Lee Robbins.

Bob while serving in his many positions has helped many town residents and strangers who were passing thru our town, he seemed to be there when needed. A special thanks to his wife Sylvia and two sons Bruce and Hugh for the many hours your husband and father spent away from his family preforming these duties.

Bob what can we say "the hours you have given, above and beyond what was asked of you are too numerous to count. That smiling face and chuckle will be missed at our monthly meetings

"Thank You Robert"

4. Voted on by secret ballot to accept the proposed 1990 revision of the Richmond Zoning Ordinance in accordance with the Statutes of the State of New Hampshire, as follows:

PROPOSED RICHMOND ZONING AMENDMENTS

1. Amend ARTICLE 2 ESTABLISHMENT OF DISTRICTS to read as follows:

202.1,B Lakeside District (Article 5)

All the area within five hundred, twenty-five (525) feet, as measured by horizontal distance, from the high water mark of Cass Pond and Sandy Pond.

Amend ARTICLE 5 LAKESIDE DISTRICT to read as follows:

501.1 This district shall consist of single family residential dwellings (permanent, year-round or seasonal) and related accessory buildings.

502 Frontage and Yard Requirements

502.1 Frontage - Every dwelling shall have a minimum lot frontage of two hundred fifty (250) feet on a public road (class I-V), or on an approved subdivision road. Lots having water frontage shall have a minimum of one hundred fifty (150) feet of shore line.

502.2 Yard requirements - No building shall be located nearer than twenty-five (25) feet to an abutter's property line and eighty-three (83) feet from the center of the public road and one hundred (100) feet from the normal high water mark.

502.3 No dwelling shall be erected or placed on a lot of less than three (3) acres unless such lot shall have been a tract of record as of March 13, 1990, or on such additional area as may be necessary so as to accommodate an approved sewage disposal system, and such lot shall be appropriate in all respects to the use for which it is intended.

Yes — 157, No — 115

2. Amend ARTICLE 2 ESTABLISHMENT OF DISTRICTS to read as follows:

202.1, C Wetlands Conservation District (Article 6)

All land areas within seventy-five (75) feet, as measured by horizontal distance, of the high water mark of any pond, stream, brook or wetland and areas identified and delineated as poorly or very poorly drained soils by the Cheshire County Conservation District's Soil Survey of Cheshire County New Hampshire completed in 1989. (see map)

Amend ARTICLE 6 WETLAND CONSERVATION DISTRICT to read as follows:

601 General

The Wetland Conservation District is hereby determined to be all land areas within seventy-five (75) feet, as measured by horizontal distance of the high water mark of any ponds, lakes, streams and brooks or wetlands as well as those areas identified and delineated as poorly drained or very poorly drained soils by the Soil Survey of Cheshire County New Hampshire completed in 1989 and shown on its field mapping photographic sheets for the Town of Richmond, New Hampshire.

The Wetland Conservation District as herein defined is shown on a map or maps designated as the "Town of Richmond Wetland Conservation District Map" and is part of the "Zoning Map" of the Town of Richmond, New Hampshire. For a detailed explanation of soil types, see "Soil Survey of Cheshire County New Hampshire" issued June 1989, on file with the Town Clerk and Planning Board.

602.3 To prevent unnecessary or excessive expenses to the town to provide and maintain essential services and utilities which arise because of the inharmonious use of wetlands.

603 In the Wetlands Conservation District no use is permitted that would result in the erection of any structure or alter the surface configuration through excavation or by the addition of fill, or that is not otherwise permitted by the zoning ordinance except the following permitted uses:

605 Special Provisions

Wetlands may not constitute more than 50 percent of the minimum lot requirements, and no septic tank or leech field may be located closer than one hundred (100) feet to any wetland.

Yes — 183, No — 87

3. Amend ARTICLE 3 GENERAL PROVISIONS to read as follows:

301 When any conforming structure(s) is (are) destroyed by fire or any other means, the owner of the land on which such structure(s) is (are) located shall, within one year: (1) remove the ruins, fill in any foundation holes and regrade the site to ground level; or (2) repair, rebuild or replace the structure(s). The owner of a non-conforming structure shall be permitted to rebuild said structure use on the same site, provided the rebuilding shall begin within one year from the date of damage or destruction or such other, reasonable time period as may be determined and granted by the Board of Adjustment.

Otherwise, any reconstruction or new construction shall be in conformance with the provisions of this ordinance.

302 In accordance with the provisions of RSA 155-E, as amended, a permit shall be obtained from the Planning Board for the removal of clay, sod, loam, sand, gravel or other earth material from any parcel within any district except the Lakeside District. No permits will be issued for the Lakeside District.

302.1 Any excavation or removal of material shall comply with all provisions or RSA 155-E.

303 No junkyard or place for the storage of discarded machinery, vehicles, scrap material, or other junk including major and/or minor appliances shall be maintained in any district.

304 All subsurface sewage disposal systems shall be constructed and maintained in accordance with the standards set and enforce by the N.H. State Department of Health and the N.H. Water Supply and Pollution Control Division. Such approval shall be required where applicable before issuance of a building permit.

305 A recreational vehicle may be used as a temporary dwelling, on a transient basis, which shall not exceed three (3) months in any calendar year unless such vehicle is located or stored in a campground or a recreation vehicle camping park. However, upon written application from the owner of said vehicle, the Board of Selectmen may grant an extension not to exceed three (3) additional months. Recreation vehicles shall not, under any circumstances, be used as a permanent place of residence.

306 Driveways - A driveway permit, issued by the Selectmen shall be required before constructing a driveway entrance, exit or approach to any property when said driveway entrance, exit or approach is located within the right-of-way limits of any town road. In the event that the property is located on a state highway or road, an approved driveway permit from the NH Dept. of Transportation shall be required. All driveways shall be constructed in accordance with the specifications contained in the applicable permit (state or town) and said driveway shall be inspected and approved by the Town Road Agent and/or Selectmen prior to the issuance of a building permit as may be applicable.

308 No motor vehicle shall be used or converted from its manufactured intention to a dwelling.

309 No structure shall exceed two and one-half (2 1/2) stories in height or thirty-five (35) feet. The height of a building shall be measured from the highest point of the roof line to the average elevation of the finished grade of the ground half-way between the front and back of the building and within twenty (20) feet of the foundation. The height limitation shall not apply to chimneys or antennas.

310 For the purpose of this ordinance cluster developments shall be considered a subdivision subject to review and approval or disapproval by the Planning Board.

311 No land area within a public right of way shall be used to satisfy the minimum frontage or yard requirement in any district.

Yes — 162, No — 107

4. Amend ARTICLE 4 RESIDENTIAL DISTRICT to read as follows:

403 No dwelling shall be erected or placed on a lot of less than four (4) acres, unless such lot shall have been a lot of record as of March 13,1990, or on less than such additional area as may be necessary so as to accomodate an approved sewage disposal system, and such lot shall be appropriate in all respects to the use for which it is intended.

Yes — 127, No — 146

5. Amend ARTICLE 4 RESIDENTIAL DISTRICT to read as follows:

401.1 It shall be primarily a residential district with agricultural and farming uses also permitted.

401.5 Home occupations and cottage industries as defined in Article 15.

402.1 Frontage - Single family dwellings shall have a minimum lot frontage of two hundred fifty (250) feet on a public road (class I-V), or on an approved subdivision road.

402.2 Yard requirements - No building or structure, except fencing, shall be located nearer than twenty-five (25) feet to an abutter's property line and eighty-three (83) feet from the center of the public road.

404 Multifamily dwellings and cluster developments are permitted provided the minimum lot area for each dwelling unit shall be three

(3) acres. The site or lot for each multifamily or cluster development shall have a minimum frontage of two hundred fifty (250) feet on a public road (class I-V), or on an approved subdivision road.

804 The Board of Selectmen shall have the authority to permit a single dwelling to be placed on a lot having less than two-hundred fifty (250) feet of frontage on a public road (class I-V), or on an approved subdivision road provided the applicant demonstrates that said lot was a lot of record as of March 13, 1990.

Yes — 154, No — 113

6. Amend ARTICLE 7 INDUSTRIAL DISTRICT to read as follows:
Change RSA 31:63-a to RSA 675:3

Yes — 129, No — 93 .

7. Amend ARTICLE 8 NONCONFORMING USES to read as follows:

803 The Board of Selectmen shall have the authority to approve the construction of, or alteration or addition to, nonconforming accessory buildings when such accessory buildings are associated with a nonconforming main building.

Yes — 161, No — 101

8. Amend ARTICLE 9 ENFORCEMENT & ADMINISTRATION to read as follows:

902 The Board of Selectmen shall issue all building permits requested when such are in accordance with the provisions of the ordinance. The Board of Selectmen may make a reasonable charge for such permits. All such permits shall be valid for a period not exceeding one (1) year from the date of issuance.

If the applicant has not completed the proposed construction or received an approved certificate of occupancy within the one (1) year time limit, the applicant must renew his building permit by applying for a renewed building permit. If the applicant has not started construction within the prescribed time period, the building permit shall expire and shall not be renewed. If a building permit expires, the applicant must submit a complete new application including the payment of all applicable fees.

If the Selectmen fail to renew a building permit for any reason, they shall notify the applicant of their decision and the reasons related thereto; within ten (10) days of the expiration date of the original permit or the date the application for renewal is received whichever is later. Notice of refusal to renew a building permit shall be mailed to the applicant by certified mail. Depending upon the nature and conditions for not renewing a building permit, the Selectmen reserve the option to resolve the matter by:

1. Renewing the building permit after the applicant has satisfactorily agreed to resolve and/or correct the conditions which led to the permit not being renewed; or
2. Requiring the applicant to apply for a new permit subject to all applicable application procedures and fees.

903 A building permit shall be required: (1) prior to the erection, addition, alteration or relocation of any building or structure or portion thereof. It shall be unlawful for any person to commence work for the erection, addition, alteration or relocation of any building or structure until a permit has been approved and issued by the Selectmen. No building permit shall be required for normal maintenance activities, minor repairs and minor alterations that do not structurally alter or change a building or structure. No building permit shall be issued for a lot with a private septic system until an approved septic system permit has been obtained from the NH Water Supply and Pollution Control Division.

903.1 Application for a building permit

All applications for building permits shall be accompanied by plans drawn to scale and submitted in duplicate, by the owner or his agent and shall show:

- a. The actual shape and dimensions of the lot to be built on;
- b. The size and location on the lot of the building(s) or structure(s) to be erected or altered;
- c. The location of all setback lines - front, side and rear; and
- d. The location of all septic system facilities and well(s).

904 Occupancy Permit - An approved occupancy permit shall be required before any new dwelling/building/structure or existing dwelling/building/structure that has been structurally altered can be occupied. The occupancy permit shall be applied for by the owner or his agent when the construction for which a building permit was issued has been completed. The occupancy permit shall be issued within ten (10) days after the erection alteration of the

dwelling/building/structure, or portion thereof, has been completed and after an inspection of said dwelling/building/structure shows that it is in conformance with the provisions of the building permit and the provisions of the ordinance or any other town regulations that are applicable.

904.1 Occupancy permits are required for the following:

- a. the occupancy of a new building or structure
- b. the occupancy of any existing building or structure that has been structurally altered or relocated;
- c. the change in the use of an existing building or structure;
- d. any change in the use of a nonconforming use or structure.

Sections 904, 905, and 906 in the present zoning ordinance shall be renumbered to Sections 905, 906, respectively.

9. Article 15 DEFINITIONS is amended to read as follows:

1502 Dwelling Unit - A single housekeeping unit designed and used exclusively for residential purposes which includes living, sleeping and complete kitchen and bathroom facilities and is set on a permanent foundation except manufactured housing which can be set on its chassis.

1503 Dwelling - A building or portion thereof which is used exclusively for human habitation.

1504 Home Produce - Means any produce of an agricultural, horticultural, or silvacutural nature which is grown by a bona fide resident of the Town or a property owner or a member of their family. Such produce may include forest products, firewood, christmas trees, etc.

1505 Frontage - The length of lot fronting on the right-of-way line of public road (class I-V) or an approved subdivision road.

1506 Lot of Record - Land designated as a separate and distinct tract or parcel in a legally recorded and/or subdivision plan filed in the Cheshire County Registry of Deeds prior to March 13, 1990, and such lots that are shown on a subdivision map accepted by the Planning Board for review prior to January 6, 1990 and subsequently approved and recorded after March 13, 1990.

1507 Nonconforming Use - A nonconforming use is the use of any building, structure and/or land which does not conform to the

provisions of this ordinance or any amendment thereto and where such use lawfully existed prior to the adoption of the ordinance or any amendment thereto.

1508 Nonconforming Building or Structure - A nonconforming building or structure is a building or structure which, in whole or part, does not conform to the provisions of this ordinance or any amendment thereto and where such building or structure lawfully existed prior to the adoption of this ordinance or any amendment thereto.

1509 Junk - Any old metals, old bottles, or other solid textile mill waste, unfinished cloth, or other textile mill waste, old paper products; old rubber products; old plastic products, used parts and materials of motor vehicles; major and/or minor appliances and other second hand or waste articles, the accumulation of which is detrimental or injurious to the neighborhood.

1511 Manufactured Housing - Manufactured housing means any structure, transportable in one or more sections, which in the traveling mode, is 8 body feet or more in width and 40 body feet or more in length, or when erected on site, is 320 square feet or more, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to required utilities, which including plumbing, heating and electrical heating systems contained therein. Manufactured housing as defined in this section shall not include presite built housing as defined in RSA 674:31-a.

1513 Recreation Camping Park or Campground - A plot or parcel of land containing two (2) or more campsites for tents, travel trailers, tent campers, pickup campers and motor homes that may be located and maintained on said campsites as temporary living quarters for non-permanent residents who are vacationing in the area. Such parks and campgrounds may be operated on a seasonal or year-round basis but the campsites and/or recreational vehicles shall not be used as a permanent place of residence or dwelling.

1514 Manufactured Housing Park - A parcel of land under single ownership which has been planned and improved for the placement of manufactured housing units for non-transient use.

1515 Building - Any structure having a roof supported by columns or walls and intended for the shelter, housing or enclosure of any individual, animal, process, equipment, goods, or materials of any kind of nature.

1516 Structure - Any man-made object or construction having an ascertainable stationary location on, above or below the surface of the land or water.

1517 Multifamily Dwelling - A building containing three (3) or more dwelling units and designed to be used or occupied by three (3) or more families or individuals living independently of each other and with each unit having its own exterior entrance or an entrance from an interior hall.

1518 Cluster Development - A tract of land to be developed as a single entity for a number of dwelling units under the provisions of this ordinance. Such developments usually include a more compact arrangement; single family units (detached or attached) or multifamily dwellings grouped in or around common open space.

1519 Wetlands - All waterbodies; i.e., ponds, lakes, streams, brooks, wetlands as well as those areas identified and delineated as poorly or very poorly drained soils by the Cheshire County Conservation District in the Soil Survey of Cheshire County New Hampshire completed in 1989.

1520 Unit - delete and renumber the remaining definitions as follows: 1520 Ruins; 1521 Foundations; 1522 Vehicle; 1523 Property; and 1524 Cottage Industry.

1525 Home Occupation or Home Based Business - Any use which is customarily, or may be properly, carried on entirely within a dwelling or an accessory building by the owner thereof or an immediate family member.

1526 Abutter - An abutter, for the purposes of notification shall be as defined in State of New Hampshire RSA 672:3.

1527 Lot - A tract or parcel of land designated for conveyance, or transfer of ownership, development, or sale and/or lease whether immediate or future.

1528 Public Right-of-Way - The entire width between the boundary lines of any public highway, street, avenue, road, alley, parkway or any such way which has been dedicated in use for public use by state statute RSA 229:1.

Yes — 167, No — 95

10. Amend ARTICLE 12 - PENALTY to read as follows:

1201 The penalties for violating any section of this ordinance shall be the maximum civil and criminal penalties allowable by statutes. Refer to RSA 676.17, as the same may be amended.

AUDITOR'S REPORT

Richmond, NH 03470

February 1991

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

I herewith submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1990. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent Town records.

SCOPE OF AUDIT

The accounts and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk were carefully verified and checked.

FINANCIAL STATEMENTS

1. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations amounting to \$20,540.27. In 1989 there was \$10,736.78 in unexpended balances.

2. The Statement of Estimated and Actual Revenues shows a net revenue surplus of \$77,407.09. The 1989 Deficit amounted to -\$163.09.

3. The Budget Summary indicated a net budget surplus of \$64,763.27.

4. The Accounts of the Town Treasurer, Town Clerk, Tax Collector and the Fire Department Equipment Fund have been summerized and tabulated.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt, disbursements and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year

ending December 31, 1990. In my opinion, the attached balance sheets and other statements of sources of revenue and expenditures truly represent the financial position of the Town of Richmond for this period.

THANKS

I sincerely thank the Town Clerk, Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records.

Respectfully submitted
Linda S. Herron
Auditor
Town of Richmond, NH

SELECTMEN'S REPORT

1990 was another busy year and progress continues to be made in the Town of Richmond. The renovation of our 1781 Town Hall was completed on May 3, Governor Gregg re-opened our historic Town Hall. The offices of Selectmen, Town Clerk, and Tax Collector are now consolidated at one location. The town also became computerized for the first time in 1990. Under the direction of Tax Collector Richard McCarthy, we purchased hardware and software for the Tax Collector's office and software for the Selectmen's office. Only the Town Clerk has yet to be computerized, and we hope to do that in 1991.

1990 was a tough year for the local economy and we saw a sharp decrease in building and a sharp increase in welfare payments. Building permits issued were off by 40% in 1990 and only eleven new houses were built in Richmond during the entire year. Town spending was reduced in 1990 and we plan on continuing that trend in 1991. The revaluation was a tough but necessary process to go through and the Selectmen are grateful to town residents for their patience and pleasant attitude that almost everyone demonstrated.

The Selectmen would especially would especially like to thank all of the volunteers who have been so generous with their time while serving on various town boards and committees and on the rescue squad and fire department.

We are particularly appreciative for the efforts put forth by town employees and officers including Road Agent Joe Davis, Chief Richard Bigda and the entire police department, Town Clerk Dorothy Robbins and

Pam Goodell, Tax Collector Richard McCarthy and Ann Amanti, Treasurer Judy Gilman, Town Auditor Lynn Herron, and, of course, Bob Van Brocklin and Marianne Beaman.

The Selectmen will continue to meet on Monday evenings at 7:30 p.m. at the Town Hall and Secretary to the Selectmen Marianne Beaman is available in the Selectmen's office on Wednesday afternoons from 1:00 to 4:00 p.m. and on Fridays from 9:00 a.m. to noon. The office will be closed on legal holidays.

POLICE DEPARTMENT REPORT

This past year has shown another increase in police activity. In 1989, incidents were 419, in 1990, it was 538, an increase of 28%. In 1989, days of activity were 256, in 1990 it was 276, an increase of 8%. In 1989, Richmond Police Officers worked a total of 1,158 hours, in 1990, total hours were 1,213, an increase of 5%. In 1990 officers worked an average of 22.3 hours per week.

Over the past three years I have watched the police incidents increase dramatically, including officer hours and days of activity. This past year officer hours and days of activity did not increase in the proportion to the increase in incidents. This indicates to me that we have reached the saturation point of time a part-time police officer has available in addition to his full-time employment.

For the March 1991 Town Meeting I will include in the police budget the salary for a full-time police chief. I sincerely believe that if our police department is going to be effective, it must take this first step to employ at least one full-time officer. As past trends indicate, if we remain a part-time only police department incidents will quickly overtake our ability to police them. This is not acceptable to this officer, and it should not be acceptable to the citizens of Richmond.

Once again we cannot stress enough the importance of citizen cooperation with your police department in the performance of our duties. Without your help many of the crimes could not have been solved, and most important, prevented. Thank you all for your continued support.

Please remember to license your dog before May 1st. After May 1st, by

law we must pick up your dog and deliver it to the humane society if it has not been licensed. This is costly to the dog owner who must pay a fine and pound fees and to the tax payers who pay the police officers to pick up the dog.

We are pleased to announce the addition of Lisa Bigda to our police force. Lisa is scheduled to attend the Part-Time Officer Certification School this March.

FIRE DEPARTMENT REPORT

During the year of 1990 Fire Department and Rescue Squad members answered 46 alarms:

- 1 house fire
- 4 chimney fires
- 1 car fire
- 2 false alarms
- 3 miscellaneous
- 7 accident (Rescue and Fire Response)
- 19 Rescue calls (Rescue and Fire response)
- Mutual aid to other towns
- 6 cover assignments
- 2 direct to scene responses
- 1 search (lost children) 8 people - 42 hours

As many of you know, your Fire and Rescue personel preform these duties to the town on a volunteer basis. Your cost for these services is equipment and supplies. You might be interested to know that the 46 alarms involved 461.3 volunteer hours. Added to these hours are many hours of training, for both the Fire Department and Rescue Squad members.

Your Fire Department and Rescue Squad members would like to take this opportunity to thank all of you who have supported us and urge you to continue checking your smoke detectors and keep your chimneys cleaned.

The officers of the Fire Department and Rescue Squad thank the members and families for the many hours you have donated to this community service.

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from a Forest Fire Warden, permit fires that escaped control and rekindled fires. All these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, **without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.**"

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

RESCUE SQUAD REPORT

In 1990 the Rescue Squad has responded to a variety of calls from vehicle accidents, medical emergencies, to standby at fires.

We have added a few new members and updated our equipment. We have also started a special account for the future purchase of a defib unit. This account presently has \$1,500.00 which we hope to add to.

The rescue Squad would like to thank the many townspeople who have helped support the squad throughout the year.

Please remember, call 352-1100 for any emergency. We are available 24 hours a day.

CONSERVATION TASK FORCE REPORT

Negotiations to secure a protective conservation easement for the Richmond Soapstone Quarry on Parker Hill have been suspended. Due to some complicating considerations on the part of the present owners, it has been agreed that they will provide the Town with a protective license which will be in force for a term of four years. This license will provide most of the protection the Task Force had hoped for and can be upgraded to a permanent easement at some future date. It is expected that this license will be drawn up and signed early in 1991.

Plans continue to evolve for The Bennett Gorge Easement. The New Hampshire Department of Transportation, because of safety considerations, disapproved plans for a parking area just west of Brickyard Brook on Route #119. Mrs. Jennie Bennett has very graciously agreed to add some additional space to the original easement. This new area, which will be off Cross Road, along the old 119 roadbed, will provide parking space for several cars as well as a vantage point for an interpretive sign. During the coming year, the Task Force will make necessary improvements to the area and rough out an access path.

Our population continues to grow, but the land doesn't. The Task Force invites all landholders, large or small, to consult with us about the possibility of permanent protection for their land. Conservation easements are very flexible and can be tailored to meet your wishes for preserving the esthetic and ecological values of your land.

Norman E. Tandy,
Secretary

ROAD AGENT'S REPORT

This year saw the lay out by selectmen of Pond Woods Road from private to public, as a road to summer cottages maintained April 10 through December 10, known as a prescription highway, used by the public continuously for 20 years or more prior to January 1968.

For the Winter season, the second part of 1990 through the first part of 1991, contracts for winter maintenance were awarded to Terry Qualters and Dan Firman. All roads west of Route 32 were awarded to Terry Qualters of Winchester and all roads east of Route 32 were awarded to Dan Firman of Fitzwilliam.

After the Pond Woods Road was laid out by selectmen the brush was cut, hauled away and burned. The road was built up in front of the cabins with bank run gravel, then 3" of crushed gravel was put down the entire length of the road.

Green Woods Road from the Martin Road intersection to Blessed Sacrament subdivision was widened, ditched, graveled and graded to eliminate the mud experienced in the spring on that section of road. The mail boxes were moved from the intersection to a roadside location.

The west end of Turnpike Road from Scott Mountain Road was widened and made ready for gravel in the coming year. Whipple Hill Bridge was scraped, seal coated, and painted. Brush was cut on Fish Hatchery, Morgan, Monument, Sandy Pond, Land and Whipple Hill Roads. Paved portions of Whipple Hill, Cross, and Morgan Roads were ditched, shimmed and sealed. Roads were graded in May and some again in the fall.

There were no washouts this past summer although there were some heavy rain storms. The mosquitoes and black flies were calmer than usual. There were very few complaints and my worst enemy, the beaver, was mild mannered. It was a good good year.

Respectfully submitted,
Leonard Davis,
Road Agent

LIBRARIAN'S REPORT

This year has been busy and productive for our library.

Our new "Children's Room" was completed in March and has seen a steady flow of traffic since.

The children love the room and feel that it is their "special" place to sit and enjoy reading books, puzzles, cassette-books or just playing with their favorite stuffed animal (straight from a story book).

We continue to hold a "story-hour" every month or so. These have been very successful with sometimes up to 35 children. Waldin Witham and "son" put on a wonderful story and music for Halloween. I know the parents enjoyed this one as much as the children.

Our "Friends of the Library" again sponsored a "Read-A-Thon" this summer. We had our biggest turnout yet, 76 children signed up and most of them finished. As we have in the past, the children who finished 12 books received a gift certificate for a book of their choice.

We now have furniture in our main room thanks to all of the generous donations from all of you.

As you can see by our circulation data, the library is catering to more and more of our town residents, including students coming in to use our reference materials.

Please stop in and visit soon. I think you'll be pleasantly surprised with the changes we've made over the last year thanks to your continued support.

Our hours are: Tuesday.....2:00 - 8:00

Saturday.....1:00 - 5:00 winter

9:00 - 1:00 summer

LIBRARY TRUSTEES REPORT

The Richmond Public Library has enjoyed an exciting year of growth starting with the opening of the beautiful new children's room. When this room opened on March 24th, it was supplied with over 100 new and exciting books that the children have really used and enjoyed. This room, along with the new furniture purchased for the library, was done with donations from citizens of the community and not with town funds.

The Library has also been busy up-dating the entire reference section. We still have a long way to go in this endeavor, but in a few years we should be up to par.

In the coming year we will be spending a great deal of time and money putting our library on a card system, as required, to comply with State law.

We, the Trustees, wish to thank all of those people in town who have given so generously with both their time and money.

Respectfully submitted,
Marjorie A. Heimann,
Chairman

Auditor's Report

I have examined the accounts of the Trustees of the Richmond Public Library for the fiscal year ending December 31, 1990. Records of the amount covering the town appropriation of \$9,031.00 were correct. The checking account ending balance was \$4,945.54.

Audit was completed December 15, 1990. Ending Balance in Financial Statement for 1990 will include last 15 days of December.

The Library Account was checked and verified and to the best of my knowledge was correct.

HOME HEALTH CARE & COMMUNITY SERVICES

In 1990, Home Health Care and Community Services continued to provide home care and community services to the residents of Richmond. The following information represents a projection of Home Health Care and Community Services' activities in your community in 1990. The projection is based on actual services provided from January through September 1990 and an estimate of usage during October, November and December.

SERVICE REPORT

Services Offered	Services Provided	Services Supported Partially or Totally By The Town
Nursing	29 Visits	4 Visits
Home Health Aide	1 Visit	1 Visit
Medical Social Worker	2 Visit	2 Visit
Total unduplicated residents served: 9		

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1990 with all funding sources is projected to be \$2,826.00

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town. In 1990, town support is projected to be \$1,153.00

For 1991, we recommend an appropriation of \$3,000.00 to continue home care services at the current level.

Thank you for your consideration.

CEMETERY TRUSTEES REPORT

Your Cemetery Trustees have had a reasonably quiet and uneventful year. In addition to the usual mowing and normal maintenance, naturalizing bulbs were acquired to add to the shrubs planted last year in the Earl Howard Cemetery. The Oak in Middletown Cemetery was pruned and will be fertilized in the Spring.

In the past, flags have been placed on Veterans' graves for Memorial Day, Fourth of July and Labor Day, and removed about a week later. In response to requests from the community, the Trustees have decided to leave the flags on the graves all summer, and to replace them each year. Our only concern is that if a flag is removed, it may go unnoticed.

There were five burials in Town this year.

In addition to burials and maintenance, another major concern of the Trustees has been the re-establishment of burial records and plot ownerships that have been lost in the past. These records have been

maintained diligently for the Earl Howard Cemetery since it opened, and have largely been completed for the Middletown Cemetery. We are presently working on the new section of South Cemetery. If anyone has information to offer, we would be happy to receive it.

COMMUNITY PARK COMMITTEE REPORT

When the concept of developing a Community Park and Ballfield on property behind the firehouse and library was first activated, there appeared to be quite a lot of interest in it. Stanley Amidon, a former Selectman, donated the land for the ballfield in memory of his father, Leon Amidon, also a former Selectman. At the time, the Fire Department had a softball team with no field to play on.

Big plans for a recreational complex were developed and brought to the Town Meeting. They included the ballfield, Tennis Courts, children's playground equipment, picnic areas, etc. Two concerns caused most of this program to be dropped. The first concern was over the committee's plan to apply for federal recreation grants for the project, similar to the Rec Complex that Fitzwilliam developed. Many townspeople felt this would result in too much government control. They preferred that we develop the area a little each year with our own money. Thus the ballfield was completed, and the swingset installed for the kids.

In subsequent Town Meetings, a second split developed. Each year the committee came back with another small project to continue the development. Those with small children and those who lived at the Four Corners supported these projects. The rest of the community did not. Each year, enough money was appropriated to keep the field mowed — and no more.

In time, the committee members lost their interest, and departed, one by one. No more proposals were made. We act as a booking agency, and we keep the grass mowed. That's about it.

If your kids are involved in softball teams in neighboring towns, and they are short of practice and playing fields, remember to let them know that our field is available. Just call me at 239-6114 or 585-3385 to reserve the field. And if anyone is interested in further development of the Community Park, please let your voice be heard too.

Respectfully submitted,
C. Richard Webber

RECREATION COMMITTEE REPORT

Our year began in April with our annual "Easter Egg Hunt". The children hustled and bustled and found several eggs filled with lots of goodies and if they were lucky, a quarter.

Our annual "Community Potluck Dinner" was held in July at the Verteran's Hall. There was plenty of good food to go around along with lively entertainment from our friends Pete and Shirley Taylor. Everyone went home with a lovely plant from one of our tables. We hope to see all the familiar faces again this year.

We had a tremendously successful Swimming Program this year. Jeff Craig and Bruce Holloway were very helpful with coordinating schedules to our convenience and provided super helpers at the waterfront. The swimmers really enjoyed themselves and learned a great deal. Our thanks to everyone at Camp Takodah.

Our "Day-Camp" was wild and wonderful. The campers enjoyed our daily crafts and activities. Our "Family night" was a huge success and many of us enjoyed watching the fathers participate in the "Hoola Hoop Contest". There was more than enough food to go around. This would be a great family tradition. See you next summer!

Our parade on Labor Day went well with "J.J. the Clown" adding to the festivities. We all enjoyed the fire engines, horses, sheep, and, of course, the race.

The "Halloween Party" has always been our main event and this year was no exception. It's such a delight to see all of our little ghosts, goblins, draculas, princesses, have such a bewitching good time. There was costume judging, bobbing for apples, our Haunted House, complete with gooey surprises, and lots and lots of goodies. The Vet's hall has never been so full of happy voices, except of course at Town Meeting.

If you have a special skill or talent that you would like to share please contact a committee member (our special thanks to Pam Goodell for teaching basket weaving at Day Camp).

If you would like to be a member of the Recreation Committee please contact one of our members or a selectperson.

Posters announcing our special events will be put up at the Four Corner Store, Veteran's Hall, Library, and the Town Hall.

In April we will send out a schedule of events listing all dates as well as registration forms.

BEACH COMMITTEE REPORT

It was a wonderful Summer of relaxation and recreation at the Richmond Town Beach. People had pride in their surroundings; caring for the beach by putting rubbish in the bin, being concerned over other's safety, and making new friendships while renewing old ones.

While being conservative with the budget in 1990, several projects will be attempted during 1991. Some of these include new tables and additional sand.

A reminder that dogs are NOT welcome at the beach. It is difficult to control their natural instincts until someone steps in it, regardless of how well trained the dog appears to be.

While many enjoy the beach, most seem reluctant to join the Beach Committee. However, there are two openings, if anyone is interested in being official. In the meantime, if a problem does arise concerning the beach, the committee always appreciates a call informing us of the situation.

Thanks to all who help in so many ways to keep our beach a place to be enjoyed by all. **THINK BEACH!**

Respectfully submitted,
Patty Webber

Judd Gregg
GOVERNOR

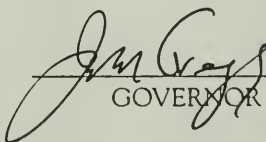

CITATION

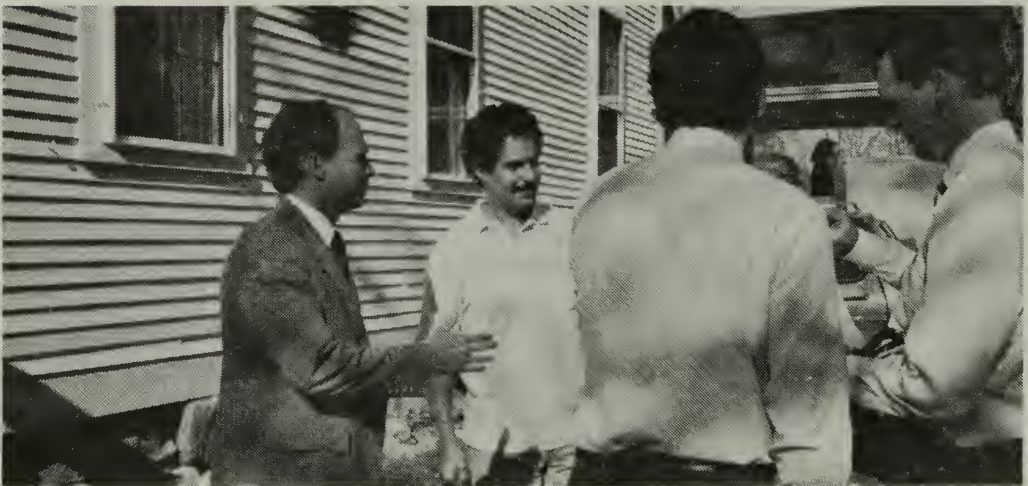

Be it hereby known to all that I,
Judd Gregg,
Governor of the State of New Hampshire,
join with my fellow citizens
in extending my personal best wishes and
sincere congratulations to

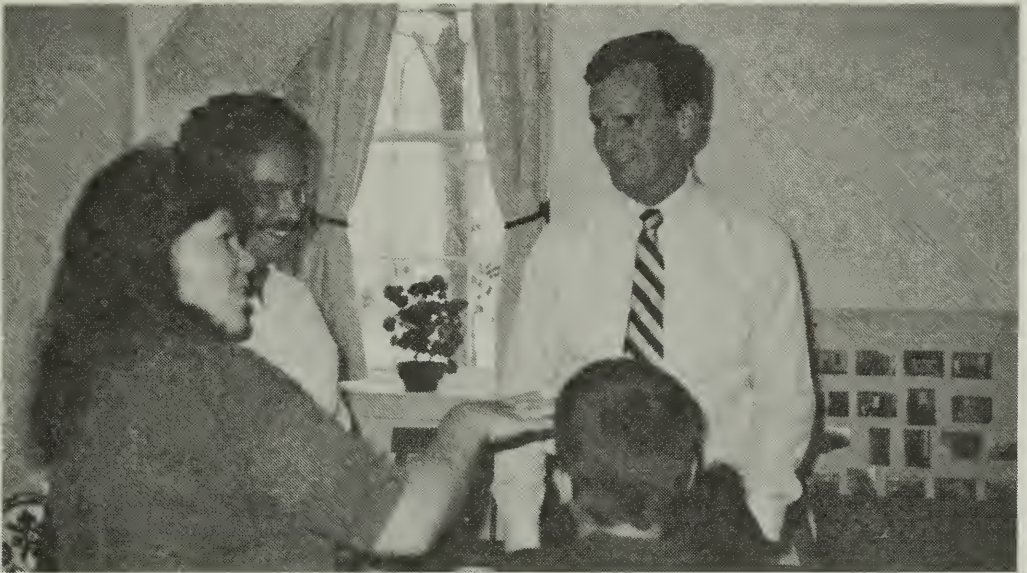

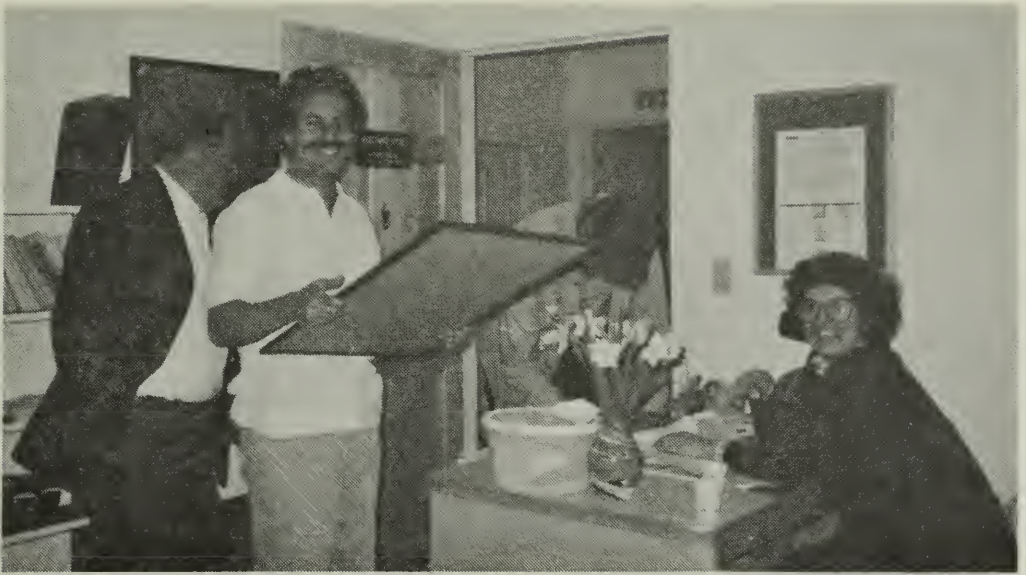

THE PEOPLE OF RICHMOND

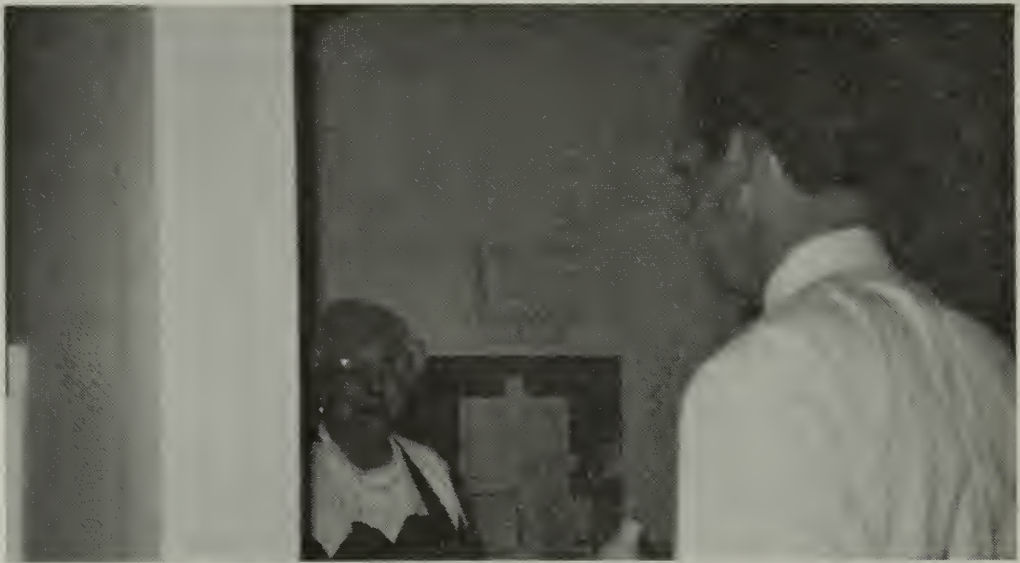

upon the grand re-opening of your historic Town Hall.
May the government service that occurs from this,
the State's oldest, active town building,
yield many more centuries
of community pride.

CONSERVATION COMMISSION REPORT

During the past year the Conservation Commission has met regularly in the Civil Defense Building. Meetings are customarily scheduled for the first Thursday of each month. These are all open meetings; if you have any concerns or suggestions about the Commission's work, you are cordially invited to attend.

Commissioner Gus Merwin continues on leave of absence during his wife's convalescence. We hope he will be able to rejoin us soon.

This year the Commission started a large project: to locate all the corners and boundary lines of land owned by the Town. Wherever necessary these lines and points will be refurbished to insure continuing permanence and visibility. This work on the Town's "Allen Lot" (which includes the site of the old Town Picnic Grove) is nearing completion. The Harry J. Bennett Town Forest is scheduled to be the next site.

Again the Commission reminds you that a "solar site selector" is available for your use. This device plots the sun's position and angle of elevation for any day of the year. If you are building a new house or adding a sunspace or solar collector you are welcome to borrow this tool. A simple change in the orientation to the sun of a new home, often at no expense, could save many thousands of dollars in heating costs over the years. If you are interested, call Norman Tandy, 239-6024.

This year a scholarship in the amount of \$210 was awarded to enable a Richmond student to attend the Youth Conservation Camp, sponsored by the Society for the Protection of New Hampshire's Forests. In 1991 some important changes and expansion of the Society's youth program have been made:

1. The regular Youth Conservation Camp, for students who have reached their fourteenth birthday, and who are enrolled in grades 8 through 10, will be held from June 16-21.
2. A "Future Leaders Camp," focusing on managing New Hampshire's land resources, is open to students enrolled in grades 10 through 12, and will take place from April 21-25.
3. Concurrently with the Youth Conservation Camp, there will be a separate camp, "The Youth Environmental Leadership Forum," for students in grades 10 through 12.

Any Richmond student who meets the age and grade requirements, and who is interested in applying for a scholarship, should contact any member of the Commission.

Respectfully Submitted,
Norman E. Tandy,
Secretary
